REQUEST FOR CORRECTED FILING RECEIPT

The Assistant Commissioner for Patents
Application Processing Division
Customer Correction Branch
Washington, D.C. 20231

Sir:

On the Filing Receipt that we have received for the above-referenced application the name of the fourth inventor has been omitted. In addition, the Continuing Data is not correct as it appears on this Filing Receipt.

A copy of the incorrect Filing Receipt is enclosed for the convenience of the Patent Office. On this Filing Receipt, Applicants' Attorney has typed in and highlighted the name and address of the fourth inventor, namely, "Walter Newman, Boston, MA," and has corrected the Continuing Data for this application.

Also enclosed are copies of page 1 of the Transmittal to the United States Receiving Office; the cover page of the Published PCT application to which this case claims priority; and the Transmittal of Declaration/Power of Attorney, together with pages 1-3 of the executed Declaration/Power of Attorney. All of these documents clearly indicate that Walter Newman is an inventor in this application.

Also enclosed is a copy of the Preliminary Amendment that was filed with this case, via Express Mail procedures. The first sentence of the second to last paragraph (highlighted) on page 3 of this Amendment correctly states the correct continuing data for this application.

Please revise the Patent Office records to record that Walter Newman is an inventor for this application, correct the Continuing Data for this case and issue a Corrected Filing Receipt showing that these corrections have been made.

Applicants' Attorney authorizes the Patent Office to charge any fees associated with this matter to Attorney Deposit Account No. 08-0380. A duplicate copy of this letter is enclosed for accounting purposes.

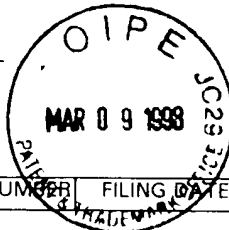

Respectfully submitted,

David E. Brook
